JOSHUA LEDERBERG

PRESIDENT

October 1, 1980

Adm. Noel Gayler, U.S.N. (Ret.)  
Box 5465  
Steamboat Village, Colorado 80499

Dear Noel:

Friends of this institution, the University Associates Committee, will sponsor two "Evenings At The Rockefeller University" on October 14 and December 15, 1980. They join me in extending to you and Mrs. Gayler a most warm invitation to visit the campus and gain an introduction to the University's work.

The evening will begin with a reception at 6:00 p.m. in Abby Aldrich Rockefeller Hall, followed by dinner and discussions with members of the faculty. We will offer our guests information about the University's past accomplishments, current programs in advanced education, and timely scientific investigations related to major health concerns.

It would be a great pleasure to welcome you both to our campus for one of these occasions. I look forward very much to hearing from you and, if you will be able to be with us, will send you further information about the evening's arrangements.

Sincerely,

Joshua Lederberg
